

487opoly Score Sheet

YOUR TEAM

--

I. Asset Score

Add up the following:

Cash on Hand

plus...

Printed Value of Property

plus...

Half the printed cost of houses & hotels

plus...

Appraised Value (if any) from Internal Cards

equals

TOTAL FINAL ASSET SCORE

II. Income Score

List your properties:

Rent You would collect

List your properties:	Rent You would collect

Sum up the rent you would collect if the pawn landed on each of your properties as modified by your internal cards:

DIVIDE the above number by 40:

How many unmortgaged properties do you hold?

MULTIPLY the two numbers above:

<-- This is your final INCOME score.
