

Department of Mathematics and Statistics Colloquium

**Plus Ça Change;
Plus C'est La Meme Chose**

Dr. Ed Parker

James Madison University

Abstract: Beginning with incidents from his interview with the JMU Mathematics Department in 1984, Ed will reflect on recurrences of themes in teaching and mathematics he has experienced over the last 27 years in the department. He will connect the dots from Nazario Villareal to Tom Schneider and from Hille-Yosida to Stewart.
