

231 Quiz 9

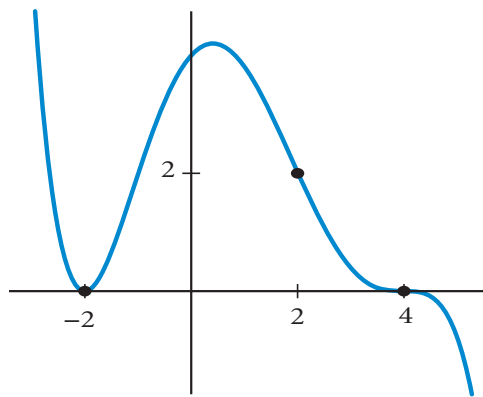

Name: \_\_\_\_\_

April 28, 2011

*Work in groups but do not split up problems or tasks. You must discuss each problem as a group and agree on a final answer. Hand in one quiz per group.*

*You may use your hand-written Notebooks but no other materials and no technology at all. Please keep your discussions quiet so as not to disturb or inform other groups.*

1. Find a polynomial function whose graph looks like this:

2. Find a rational function whose graph looks like this:
