

Homework Instructions

- This is the cover sheet for your homework packet. Please print your name clearly at the top of the page. Staple each section of homework separately and then put all sections together with this cover sheet using a binder clip.
- Homework for the chapter is collected whenever we are done with the entire chapter.
- Please fill out the chart below as appropriate, for each problem. You are on your honor.

Chapter 1: Basic Graph Theory

n	self	with	class	\emptyset
1.1.1				
1.1.2				
1.1.3				
1.1.4
