

THE PROBLEM OF THE WEEK AND
THE JMU MATH CLUB PRESENT:

A SUDOKU PARTY

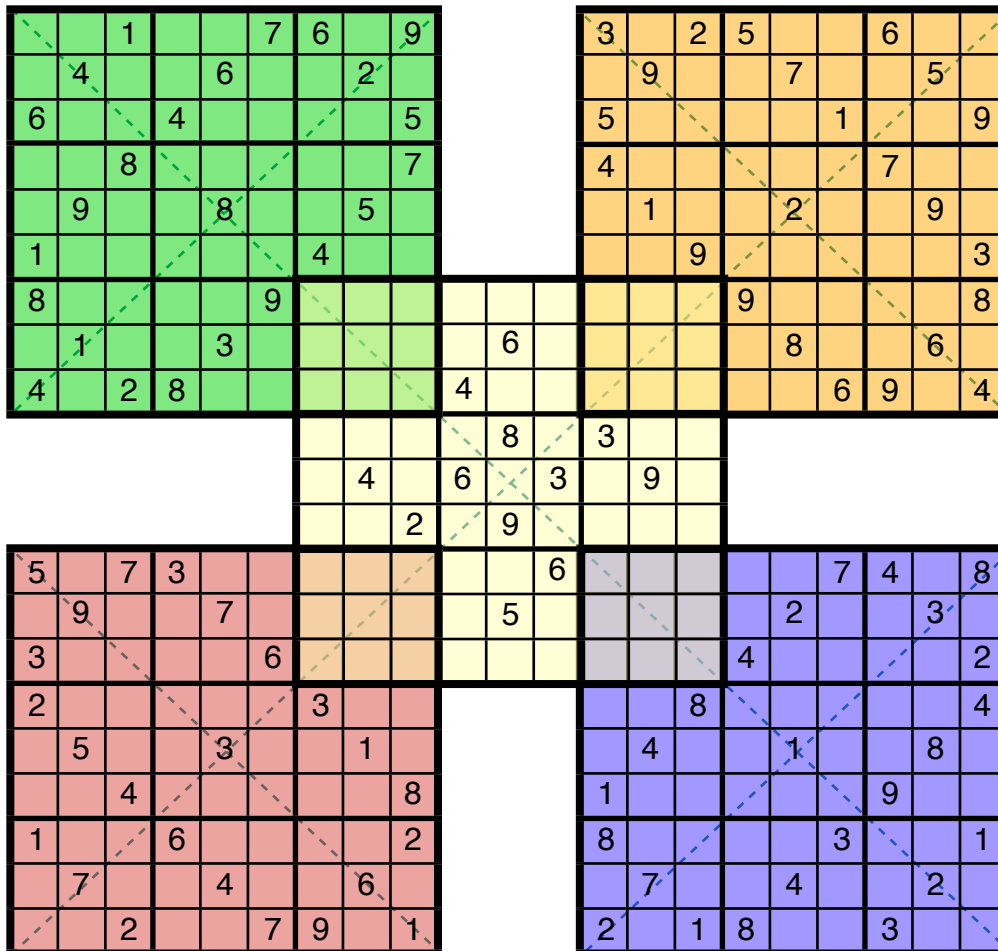

Join us for an evening of food, games, awards, and fun. Bring friends and family to play life-size human Sudoku and to honor the brave souls who stuck with the Problem of the Week Sudoku puzzles all semester long!

THURSDAY, APRIL 27

7:00 PM

BURRUSS HALL, ROOM 126

STUDENTS, FACULTY, FAMILY WELCOME

PROBLEM OF THE WEEK AWARDS

Students and faculty who completed all (or all but one) of the puzzles from this semester are eligible for prizes that will be awarded at the Sudoku Party.

LIFE-SIZE SUDOKU CONTEST

Ready for a giant game of human Sudoku? Join the race to complete the board and win prizes. This fast-paced game will be fun for all who watch or play!

ONE LAST SUDOKU PUZZLE

Complete the puzzle above and bring it to the party to be eligible for a prize. Each grid must be a valid Sudoku board in which no numbers are repeated on any main diagonal.
